MOTION TO IMPOUND INFORMATION

The United States of America, by and through its attorneys, Zane David Memeger, United States Attorney for the Eastern District of Pennsylvania, and Karen M. Klotz, Assistant United States Attorney for the district, moves to impound the within documents and related docket entries and in support of its Motion states as follows:

1. The within information, and accompanying docket papers, are documents which, if made public would jeopardize the government's interest in protecting several ongoing criminal investigations.
2. Although the public has a common law right of access to judicial proceedings and papers, matters relating to protecting an ongoing criminal investigation are traditionally conducted ex parte and in camera, with deference to the government's determination that the information should be sealed.
3. Accordingly, balancing the public's right of access to judicial documents with the government's interest in not jeopardizing ongoing criminal investigations, the

government respectfully requests that the government's Motion be GRANTED. The government further requests that the Clerk of Court be directed to make no public docket entry of the sealed documents and motion and order to seal, and to provide copies of all sealed documents only to Karen M. Klotz, Assistant United States Attorney. It is further requested that the information be unimpounded upon notice of the United States Attorney's Office.

Respectfully submitted,

United States Attorney**
